Hi Siddangoda,

Thank you for your interest in the Junior AI Developer position at Vestaff.

As part of the next stage of our selection process, we would like you to complete the attached technical assignment based on the AWS Customer Agreement document. Kindly submit your solution.

Your submission should include:

- GitHub repository
- README with setup instructions
- Technical report (2–3 pages)

If you have any questions or require clarification, please feel free to reach out.

We look forward to reviewing your submission.

Best Regards,
VeStaff Recruitment Team
